Treverbyn Parish Neighbourhood Plan Public Consultation

We officially launched the public consultation for Treverbyn Neighbourhood Plan which lasted for 6 weeks ending on 17th June 2021. We provided a questionnaire to views on the future of Treverbyn Parish. Neighbourhood plans give communities direct power to develop a shared vision for their neighbourhood and shape the development and growth of their local area. Paper copies of this questionnaire were also made available in different places throughout the parish to be completed and returned to the parish Council office at Rockhill Business Park.
